**INTERNET REGISTRATION**

Plano residents may register on-line beginning at 8 am on August 13. Be sure to get an Individual ID and Family PIN by calling any of our centers. Please call prior to the first day of registration because heavy call volume on this first day makes it difficult to get through on the phone. You can also request this information by e-mail 24/7 in the "My Account" section of Leisure OnLine if the e-mail address matches the one on your account or e-mail customer care. Have your Individual ID, Family PIN, course numbers and credit card information ready when you log on. Once logged on, you can shop, pay and print your receipts from your own computer. [www.planoparks.org](http://www.planoparks.org) **"You're first in line when you are on-line"**. Actually, when registration begins each session, 750 people (or Internet connections) are allowed at one time. If you are not one of the first 750 connections you will get a message that reads "Leisure OnLine is currently busy due to high demand." After the first 30 minutes of the start of registration the demand subsides allowing quick and easy access to the site. *\*Non-resident registration begins at 6 am on August 15.*
